The Overview Effect is also about seeing things from a new perspective; in a different context; from a position that throws what was thought to be known in to fresh relief. Regrettably, I can't fire coaches in to space (for once, budget isn't the limiting factor here) but I can help establish some criteria and frameworks against which these practitioners can reflect, review, evaluate.

AbstractProcess philosophy has drawn attention to the world as ambiguous and ever changing, however also enactable. This makes entrepreneurship a processual phenomenon, rightly addressed as 'entrepreneurship'. Recognizing not only their cognitive, yet also affective and conative capabilities, makes it possible for human actors to mobilize forces that bring the world to a standstill long ...
