In What's It All About?, Julian Baggini says no, there is no single meaning. Instead, Baggini argues meaning can be found in a variety of ways, in this life. He succinctly breaks down six answers people commonly suggest when considering what life is all about--helping others, serving humanity, being happy, becoming successful, enjoying each day ...

This detailed, example-driven guide illustrates how much you can do to make written texts more suitable for a global audience. Accompanied by an abundance of clearly explained examples, the Global English guidelines show you how to write documentation that is optimized for non-native speakers of English, translators, and even machine-translation software, as well as for native speakers of English.
